TERMS AND CONDITIONS OF ENROLMENT (International Students)

Genuine Temporary Entrant

The Genuine Temporary Entrant (GTE) assessment addresses whether your individual circumstances sufficiently support your intention to travel to, and remain in Australia on a temporary basis in order to achieve a successful educational outcome.

More information on Student Visas and GTE assessment can be found on the Australian Department of Immigration and Border Protection (DIBP) website (www.immi.gov.au).

In order for you to apply for a Student Visa, Salford College needs to ensure that you pass the GTE assessment. Information regarding GTE requirements is available on the DIBP website. The final decision whether to grant you a Student Visa is made by DIBP.

Your GTE and Genuine Student status is determined by assessing your application and supporting documents, such as those shown below, against the entry requirements for the program you are applying to study:

- Evidence of English language proficiency
- Academic record
- Employment/professional experience

SECTION 2

1. Deferment Policy

We recognise that there may be times when a student wishes to defer, temporarily suspend or cancel their enrolment. If this is the case, students must contact the Student Support Officer at Salford College and inform them of the reasons.

Students may be granted deferment or temporary suspension from their studies on compassionate grounds or due to compelling circumstances (e.g. where a medical certificate states that a student is unable to attend classes). There are strict guidelines from DIISTRE governing the circumstances under which deferment can be sanctioned.

If this deferment or temporary suspension is granted, we will let you know in writing that your enrolment has been deferred or suspended. The letter will also remind you that a change in enrolment status may affect your visa.

We will notify Department of Immigration and Border Protection (DIBP) and Department of Education of the change in enrolment. You might be eligible for a refund in this instance – remember to check the refund policy and apply if appropriate.

Salford College may choose to defer, temporarily suspend or cancel a student’s enrolment for the following circumstances:

- You have compassionate or compelling circumstances (such as personal illness or illness/death of a family member at home; birth of a child or political upheaval)
- Misbehavior by the student
- Nonpayment of student fees
- Assault of another
- Committed a crime

If Salford College decides to defer, temporarily suspend or cancel a student’s enrolment, then Salford College will let you know about their decision in writing. Salford College will remind you, that the change in enrolment status may affect your visa, and that you have 20 working days to use our complaints and appeals process as outlined before. A copy of the letter you are sent will be placed in your student file.

If you decide to not access the complaints and appeals process, then the College will notify the Department of Education and the Department of Immigration and Border Protection (DIBP) your enrolment has been deferred, temporarily suspended or cancelled. If you do use the complaints and appeals process, the suspension or cancellation will not take effect until the process is completed.

2. Transfer between the providers

Students Transferring to Salford College

Salford College will not knowingly enroll a student wishing to transfer from another registered provider prior to the student completing six months of their principal course of study except where:

- The original registered provider has ceased to exist
- The course in which the student is enrolled has ceased to be registered
- The original provider has supplied a written letter of release
- The original registered provider has had a sanction imposed on its registration by the Australian Government that prevents the student from continuing their principal course
- Government sponsorship of the student considers the change to be in the student’s best interest and has provided written support for the change.

Transfers to Salford College will be granted in the following situations:

- The student meets the entry requirements of the course; and
- The student is able to meet the fees for the remainder of their course; and
- The student has been complying with their Visa conditions.
Special consideration will be given to students requesting transfers if Salford College considers, that personal circumstances of the student or academic grounds, make it difficult for the student to continue study with their current provider.

Salford College will refuse requests from students for a transfer from another registered provider prior to the student completing six months of their principal course of study in the following circumstances:

- If the student is under 18 years of age; and
- If the student does not have an overall IELTS score 5.5 (Academic) or equivalent.
- If the student has been warned by the other education provider that the student is close to breaching their Visa conditions due to unsatisfactory progress

Once an application is assessed and a decision is made by the Admissions Manager, the student will be informed by the college in writing.

**Students Transferring From Salford College**

If a student wishes to be released from their studies at Salford College, and transfer to another registered provider less than 6 months after commencing their principal course of study,

Student must obtain a letter of offer from the other provider; and

Student must inform Salford College of their intention to transfer at least 14 days prior to the move.

The Student Support Officer and the CEO will meet to assess the student’s request for transfer from Salford College to another registered provider.

**If the request for transfer is approved**

- Salford College will issue the student with a letter of release at no cost, but subject to the constraints of the refund policy; and
- Inform the student that it is their responsibility to contact DIBP to ascertain whether a new student visa is required.

**If the request for transfer is not approved, Salford College will**

- Issue a written response including the reasons for the refusal; and
- Inform the student of their right to appeal the decision; and
- Place a copy of all relevant documentation into the student’s file.

**3. Course Progress Policy**

Salford College has elected to implement the Department of Education and The Department of Immigration and Border Protection (DIBP) Course Progress Policy and Procedures. What this means, is your progress through your course is carefully monitored, and unsatisfactory academic performance may lead to cancellation of your enrolment.

Salford College identifies one semester as a study period. Each semester consists of two terms of around ten weeks each. You are required to complete all assessment tasks for each unit of competency. You will be informed no later than four weeks after the assessment, whether the assessment outcome was satisfactory or not satisfactory.

You will be at risk of not maintaining satisfactory course progress if you are ‘not yet competent’ in 50% or more of the units attempted in any one study period.

If your progress is not satisfactory, a reminder to you of your obligations and an invitation to see the Student Support Officer will be mailed to you. The Student Support Officer will also contact you by telephone or email. This meeting is to assist you in developing a plan of action to improve your academic performance.
